Re : Doris Maritime Services S.A., Geneva

Containers and ship management company created 1983 registered in Geneva.

Manager : Mr Nicolas Wirth

Activity : management and leasing of containers, management of merchant vessels, advisory and consultancy services to banks and other institutions. We maintain an active business relationship on a secured basis with Mr Wirth since many years, and with Doris Maritime Services S.A. since its creation.

We have a high regard for the professional skill and integrity of Mr Wirth and consider that they would not enter into commitments they could not fulfil. Business well conducted. Financial situation sound.
